# ENVIRONMENTAL POLICY

JR Holland Food Services Ltd. is a chilled distributor of fresh produce, prepared produce, par fried chips, dairy and bakery goods. We pride ourselves on supplying quality produce, from local sources wherever possible, to our customer base across the North East of England.

JR Holland Food Services Ltd. is committed to minimising the environmental impact of its operations by way of an ongoing programme of continual improvement. This will be achieved by implementing and maintaining an Environmental Management System to the standard of ISO14001. We believe that the actions necessary to fulfil our environmental policy will have long term benefits for our suppliers, our customers, our own business and the environment.

JR Holland Food Services Ltd. has a commitment to:

- Comply with all legal and other requirements relevant to its operations, products and services and to regularly evaluate its compliance with such;
- Prevention of pollution from all business activities
- Reduce energy consumption;
- Minimise waste to landfill;
- Work with customers to minimise food miles;
- Minimise packaging waste
- Implementing a framework for setting and reviewing environmental objectives and targets. Objectives and targets are reviewed on a regular basis in order to monitor our continual improvement.

The company will make available the appropriate resources to ensure that our environmental management system and policy are implemented in full and maintained correctly.

This policy is communicated to all staff and is available to any external parties on request.
