

J.R. HOLLAND
FOOD SERVICES

COMPANY QUALITY POLICY STATEMENT

‘Our objective is to provide our customers with conforming, safe and legal products and services they require on time, without defect and in a caring and friendly manner.

Doing this more efficiently than our competitors will ensure our financial success.

In striving to fulfill our objective we recognise that we are all part of a team and that every member of that team has a contribution to make towards achieving our goal.

We consider that the adoption of a Total Quality approach to everything we do, irrespective of its stage in the process, is the best way to ensure that the ultimate customer’s expectations are satisfied. The Company implements an effective Quality System.

The Quality System, which is described in the J R Holland Food Services Quality Assurance Manual, Company Procedures and Work Instructions is reviewed every twelve months as a matter of policy to ensure that the Quality System is effectively maintained to describe current company methods.’
